Numerical Calculations

Plurality	The number of votes received by the elected candidate minus the number of votes received by the candidate with the second highest number of votes
% Who Voted	The number of valid votes counted plus rejected ballots divided by the number of eligible electors *
% By Party	The number of votes received by the party divided by the number of eligible electors

* In the *2007 Statement of Votes*, "rejected ballots" were excluded from this equation while the same publication for General Elections in 1999 and 2003 included them. Calculations in the current publication are, therefore, consistent with those in 1999 and 2003

Official Report

Issuance of Writ

On October 10, 2011, the Twenty-Sixth Saskatchewan Legislature was dissolved pursuant to section 6 of *The Legislative Assembly and Executive Council Act, 2007* by the Honourable Dr. Gordon L. Barnhart, Lieutenant Governor of Saskatchewan. Also on the 10th of October, an order of the Lieutenant Governor in Council was passed, pursuant to section 31 of *The Election Act, 1996* (the Act) directing the Chief Electoral Officer to issue a Writ of Election to each of the province's 58 constituency returning officers, enabling the Saskatchewan electorate to go to the polls on November 7, 2011.

At dissolution, standing in the Legislative Assembly were: 38 Saskatchewan Party MLAs, 20 New Democratic Party MLAs.

Provincial Constituency Boundaries

The provincial constituency boundaries for the 2011 general election were enacted in 2002 under *The Representation Act, 2002*, based on the recommendations of the Constituency Boundaries Commission, 2002, as established under *The Constituency Boundaries Act, 1993*. There are 58 provincial constituencies inclusive of two northern constituencies and 56 southern constituencies of equal voter size.

Provincial Political Parties

The November 7, 2011 election acknowledged six provincial political parties for the purpose of fielding candidates. Pursuant to section 231 of the Act, the CEO recognized the existence of the following political parties in the register of political parties:

Green Party of Saskatchewan

New Democratic Party, Sask. Section

Progressive Conservative Party of Saskatchewan

Saskatchewan Liberal Association

Saskatchewan Party

Western Independence Party of Saskatchewan

See Appendix II for a list of registered political parties, their respective leaders, and chief official agents.

Official Report

Candidate Nomination

Nomination of candidates concluded on October 22, 2011. At close of nomination 191 candidates had been nominated: 58 Green Party, 58 New Democratic Party, 5 Progressive Conservative, 9 Saskatchewan Liberal Association, 58 Saskatchewan Party, 2 Western Independence Party, and 1 candidate with no designation. Appendix III sets out candidates by provincial constituency.

Provincial Enumeration

On August 11, 2011, new regulations came into force allowing for enumeration to take place outside the Writ period. From the 8th of September through the 26th of September, a province-wide enumeration was conducted for each of the province's 2,544 polling divisions. The regulations also legislated that the revision period, formerly one day, would be expanded to 14 full days. From October 13th through to the 26th, eligible electors who were not on the voters' list during the enumeration period or who needed to revise their elector information could either attend or call the returning office for their constituency and request to have their names added to the voters' list.

As a result of these efforts, 603,084 provincial residents were placed on the revised voters' list. Those residents not registered on this list were able to register to vote by making a declaration at an advance poll or on polling day.

Voting

From November 1st to 5th inclusive, 164 advance polls were conducted in the province's 58 constituencies. Regular polling stations were open from 9:00 a.m. to 8:00 p.m. CST on the 7th of November, enabling the province's 603,084 eligible voters the opportunity to exercise their democratic franchise. Eligible voters unable to attend either a regular, special, or advance poll were entitled to vote by absentee ballot.

Electoral Results

Unofficial electoral results were published on the evening of November 7, 2011, resulting in 49 Saskatchewan Party and 9 New Democratic Party members elected. No candidates were elected by acclamation. Nomination deposits were forfeited by 105 of the province's 191 candidates, pursuant to section 47 of the Act, for not obtaining at least one half of the total number of votes cast for the candidate elected. The 105 candidates forfeiting their deposits included: 58 Green Party, 30 New Democratic Party, 5 Progressive Conservative, 9 Saskatchewan Liberal Association, 2 Western Independence Party, and 1 candidate with no designation.

Official Report

On November 19, 2011, constituency returning officers tabulated the results of votes cast in the hospital and remand centre polls and by absentee ballot. These figures were then reflected in the relevant constituency results concluding the final count. Upon completion of the final count on November 30th, 2011, 58 out of 58 of the province's constituency returning officers made a Return to the Writ.

On December 9, 2011, the Office published in *The Saskatchewan Gazette* (Vol. 107, No. 49) a notice of receipt of the Return to the Writ and the names of 58 candidates elected.

See Appendices IV, V and VI for the electoral results of the province's 58 constituencies.

See Appendices VII and VIII for historical summaries of provincial general elections conducted from 1978 to present.
